0480-Kelp

New Wool

0230-Blueberry

0511-Country Redwood

7085-Moonlit Path

Since our threads are carefully handcrafted in small batches, there may be some color and shade variations from each dye lot to the next.

Part of the excitement of working with overdyed threads is that no two stitched pieces will look identical. Each

finished piece is just as original, as the person that created it.
